

## **KNOW YOUR RIGHTS: Berkeley, CA Paid Sick Time**

### **1) What does the Berkeley Paid Sick Time law do?**

It gives workers sick time that can be used to recover from physical/mental illness or injury; to seek medical diagnosis, treatment, or preventative care; or to care for a family member who is ill or needs medical diagnosis, treatment, or preventative care.

### **2) Am I covered?**

If you work as an employee in Berkeley for at least **2 hours** in a particular week, you are probably covered, whether you are a **full-time, part-time, or temporary** worker. However, the law does not cover federal and state employees and a few other narrow groups.

### **3) How much paid sick time can I earn?**

You earn **1 hour** of sick time for **every 30 hours worked**. If your workplace has **25 or more workers**, you can earn up to **72 hours** of paid sick time per year. If your workplace has **fewer than 25 workers**, you can earn up to **48 hours** of paid sick time per year.

All covered employees are protected against being fired or punished for using or requesting their sick time (including threats, discipline, demotion, reduction in hours, termination, etc.).

### **4) What if my work or my child's school or daycare is closed for a health emergency?**

You cannot use your sick time because your work or your child's school or day care is closed unless you would otherwise be able to use your sick time (for example, if you are sick or caring for a sick family member).

### **5) Which of my family members are covered by the law?**

Under the law, you can take sick time to care for yourself or a child, spouse, registered domestic partner, parent, grandchild, grandparent, sibling, or, if you don't have a spouse or registered domestic partner, a designated person of your choice.

### **6) What if I already have paid leave or paid time off?**

If you already get any paid leave (vacation, paid time off, etc.) that you can use as sick time **and** it's **at least** the same amount you would earn under this law, the law does **not** give you any additional paid time off.

### **7) When can I begin using my sick time?**

You start earning sick time immediately but cannot use it until 90 calendar days after the start of your employment.
